

September 28th , 2022 – Bolton Cable Advisory Board Meeting Minutes

Attendees:

Kenneth Troup
Jeff Larkin
Bob Johnson
JP Van Steerteghem
Nicki McGachey
Ed Sterling

Discussion topics:

1. Preliminary review of survey results.
2. Proposed public hearing Tuesday Nov 15th at 7:30pm.
3. Ken will reach out to Comcast rep to ask what is required to make one of our channels HD ie. are there any technical challenges to adapt channels 8 & 99 to support for HD. What does it take to get a digital signal? What would be the cost? Can Comcast add one additional channel and program listing? Would Comcast rep want to review the results of the survey and participate in the public hearing?
4. Nicki will verify what Comcast services are provided to the town departments and senior center.
5. Next meeting proposed for Wednesday Oct 26th at 7pm.
