

## BOLTON POLICE DEPARTMENT TRAFFIC ENFORCEMENT REQUEST FORM

This form has been developed to help address traffic safety concerns of Bolton residents in their neighborhoods, and to assist our department in better directing resources to specific areas. This form may be printed out and completed by hand, then mailed or dropped off at the Bolton Police Department. Please note that we receive many requests for traffic enforcement to be performed in areas throughout town, in addition to other policing responsibilities with a limited number of officers on duty each shift. We will attempt to respond to these traffic enforcement requests in a timely manner.
