ACTION/DISCUSSION:

Recurring Topics:

- **Coronavirus**

- Bolton is still at 12 cases, no increase in a few weeks
- There has been guidance issued for reopening of schools. KZina to review what was sent and see if it should go on the website or it is information that is coming from the school district already.
- Local farms have received guidance to operate their fall operation according to Covid guidelines.
- Fall sports are getting ready to start up. KZina has sent letter to league presidents to issue to visiting teams. As well as Parks & Rec for any organizations using the fields.
- Mask complaint – KZina received a phone call regarding a local restaurant.
 - KZina to send a reminder letter to the owner of the restaurant.

- **Mosquito Response**

- KZina spoke with CMMCP on Tuesday to ask if there have been any new developments in Bolton or surrounding towns. At this time, they have indicated that the mosquito season is quiet thus far. The individual spraying has stopped at this time.
- NRSD has requested that the fields at the high school and elementary schools be sprayed. The High School was done. The elementary school was not. In speaking with CMMCP, they will monitor the area for any changes to know if action needs to take place.

New Topics:

- **RCAP Program – Well Assessments**

- KZina has spoken with Jim S at RCAP regarding the well assessment program. Jim indicated that they were hoping to have 20 participants in the area, and they had received 30 requests.
- KZina to send Board the documents for review.
- Add to next agenda.
