RE: 401 Main Street  
Zoning Determination

Dear John,

Please be advised that after reviewing your request for a zoning determination relative to the uses currently conducted at 401 Main Street, I have determined that all of the uses on the property comply with the zoning of the town or are exempt under Massachusetts General Laws. If you have any questions in regards to this correspondence, please feel free to contact me. You have a right to appeal my decision to the Bolton Zoning Board of Appeals.
