#### EXPLANATIONS

This schedule does not include fees which may be required to cover project review costs or which may be posted as surety.

The filing fee is for purposes of partially covering the estimated expenses incurred for consulting engineering for plan review, advertising, notices, etc., in conjunction with the approval of the plan

This Schedule includes the 7.5% technology fee

The applicant is responsible for any fees associated with newspaper advertising for hearing notices. The applicant must sign an agreement form agreeing to pay the newspaper directly.
