

Town of Bolton
RESILIENT DERBY FIELD IMPROVEMENTS
FY24 MVP Action Grant Award

The Town of Bolton is happy to announce design work will soon commence regarding the
Rehabilitation and Expansion of Derby Field

Possible design components may include;

- multi-use field design
- climate resilient design components
 - installation of fencing
- a new walking trail with greenway connections
 - athletic field lighting
 - irrigation improvements
 - edible community gardens

This project is feasible through a grant award from the Commonwealth's
Municipal Vulnerability Preparedness program

Watch for additional details on public input events coming soon!!
Community input is vital to the plans success!!
