### Agenda Items

Agenda Item	Action
<p>COVID-19 Protocols for Youth Sports</p> <p>There have been several concerns raised about sport groups at Memorial not appearing to follow COVID-19 guidelines. The commission wanted to discuss this as a group and invited our youth sport leaders so a clear message could be followed by all moving forward.</p> <p>Baseball concerns;            Away teams not following rules.            Not enough signage at Memorial</p> <p>Actions to help;            More signage            Ensure all players/family are fully aware of the rules to participate.            Emailing away teams with rules ahead of games            Parent volunteers to manage mask wearing and social distancing during practices and games.</p> <p>Baseball is the only sport in town currently active and playing games.</p> <p>Basketball Court            No organized sport group uses Murphy's Court</p> <p>More signage, monitor pick up games.            Maybe consider lowering hoops again, as in phase 1 &amp; 2.</p> <p>Forbush            Soccer, no groups currently playing at Forbush.            Soccer games are currently not allowed in phase 3 guidelines.            If pick up games are seen to be happening, consider closing the field to all use, possibly block parking.            Remove goals and lock to fence, so not available for use.            BYSA will email current members and remind them of COVID- 19 regulations.</p>
