

Public Ways Safety Committee Minutes
Bolton, Massachusetts
April 27, 2022

Members Present: Mary Ciummo, Michael Keller, Shandy Carpenter, Steve McKeown

The meeting was held online via Zoom and called to order at 7:02p.m. To begin the meeting minutes from March 9 and March 23, 2022 were reviewed and approved.

Horse signs request memo: Discussed memo. Agreed to remove Fire Dept and received favorable comments from DPW and Police. PWSC (Mary Ciummo) will send final draft to town staff and administration for approval.

Update Traffic Rules and Order: PWSC (Steve McKeown) will update list with missing names as it was noted some additional stop signs were not on the list, specifically Warner Road to Drumlin Hills farms.

No parking signs were discussed on town common. Ultimately, PWSC decided to not act on the signs as they will naturally go away with the potential development at the adjacent building.

PWSC will send a memo form to selectmen at next meeting with an updated list of signs

Lancaster development – letter of concern: Upon further review of the project filing and traffic studies the PWSC will not pursue issuing a formal letter.

580 Main St: We reviewed the comments from the ZBA process and were pleased to see a lot of PWSC comments have been addressed to date.

The meeting adjourned at approximately 7:45 p.m. Minutes submitted by Steve McKeown
