

Public Ways Safety Committee

Minutes

Bolton, Massachusetts

August 14, 2019

Members present: Mary Ciummo, Leslie Breeze, Holly Lauer, Mike Keller.

The meeting was called to order at 7:05 p.m. The minutes of the May 5, and June 26, 2019 meetings were reviewed and approved.

Review of June 26 meeting with Town Planner, Erica Uriarte: Mary will send the Safe Routes to School link to Erica and Chief Nelson for their information. Committee members were asked to consider being a PWSC representative on the volunteer Master Plan committee.

MassWorks project: Joe Lynch is receiving bids; he believes the project will come in at cost. Work should start this Fall with traffic signal installation first; sidewalk construction will be done in the Spring. Unfortunately, Bolton did not receive this round's Complete Street Tier 3 funding; by the time our Prioritization plan was submitted, there was increased competition from other towns. The Town will reapply in the Fall.

2019 Moving Together Conference: Seminar information is not yet available to determine if we want to attend this year's event.

FY18 sign orders: Leslie will send the Committee the latest list.

Schedule Meeting with Don Lowe: Mary will contact Don to meet either Sept 24 or 25 in the morning. The Committee will compile a list of discussion topics at our next meeting.

Posting Agendas and Minutes on Town website: Holly has created an "event" on our page to post our meeting date and agenda. Minutes will also be included as an event and emailed to all requesting them.

The meeting adjourned at 8:00 p.m. Next meeting is scheduled for September 11th.
