## SELECT BOARD STATEMENT

One of the primary responsibilities of the Select Board is to prepare a Warrant of Articles for consideration of the voters at Annual Town Meeting. The 2022 Annual Town Meeting warrant is the smallest in many years because:

- Most capital projects and expenditures for the Town will be paid using Federal American Rescue Plan Act (ARPA) funds.
- The Planning Board is awaiting completion of the Town's Master Plan before submitting any zoning articles.

Items for voters to consider are:

#### **FY23 Budget**

The proposed budget for FY23 is \$27,486,447, an increase of \$1,516,999 (5.8%) over the FY22 budget.

The components of this increase are:

- Education An increase of \$865,491 (5.1%)
- Town Government and Administration An increase of \$651,508 (7.2%).

The unusually large Town increase is driven by several factors:

- (1) During the COVID pandemic unions representing town employees agreed to renew existing contracts year-by-year. The FY23 budget includes wage adjustments for multi-year union contracts that take effect in FY23.
- (2) Early retirement by some Town employees created heavier-than-normal health-plan expenses. These expenses will diminish in the next two years.
- (3) Debt payments for the fire truck approved by voters at the 2021 Annual Town Meeting begin in FY23.

Standard & Poor's continues to rate Bolton "AAA", their highest rating for a municipality.

#### **Capital Appropriations**

Voters are asked to appropriate funds for three items: Master Plan technical assistance, Town building emergency lighting and a facility shed at one of the Town cemeteries.

#### **Town Management Articles**

Voters are asked to consider approving a lease agreement for a solar farm on town land, renewing the lease on for the cell tower near Rte 495, adjusting limits on revolving funds, changing Human Resource policies, changing Town fees, modifying animal control regulations, authorizing payment of certain invoices and releasing unused funds from prior spending articles.

## **Citizen's Petition**

A citizen's petition regarding the official flag of the State of Massachusetts is for consideration by voters on this town meeting warrant.

As always, the participation of voters at the Annual Town Meeting improves the results of the ATM. Please plan to attend and set the direction for the Town in the coming year.

Signed, Select Board

Robert B. Czekanski, Chair Jonathan D. Keep Stanley M. Wysocki

#### ADVISORY COMMITTEE'S STATEMENT

This statement summarizes Bolton's proposed FY23 budget and provides data in comparison to FY22. The proposed FY23 budget was developed collaboratively by the department heads, Town Administrator, Select Board, Town Accountant, Town Treasurer, and Advisory Committee. As always, we want to thank Don Lowe (Town Administrator), Jenny Jacobsen (Town Secretary), Ninotchka Rogers (Town Accountant), Kristen Noel (Town Treasurer), and all the department heads for their year-round support.

- Each year, the Massachusetts
  Department of Revenue reviews the town's finances and certifies the amount of unrestricted free cash. The town uses certified Free Cash to fund capital projects and, if absolutely necessary, to balance the operating budget.

Bolton's certified Free Cash on July 1, 2022 was \$995,208 (up from \$660,949 last year). In the proposed FY23 budget, we are using \$424,929 of Free Cash to finance operating expenses.

#### **Expenditures**

- Total projected FY23 expenditures will increase by \$679,695, which is 2.52% above the FY22 budget.
- Education assessments (65% of the operating budget) are increasing \$865,491. Notably, that amount is greater than the combined total of our Prop. 2½ allowable growth (\$580,835) and new growth from development (\$200,000).
- Debt Service for FY23 is up \$77,847 (6.57%).
  This increase is due to the debt cost for the Fire Truck that was approved by the Town Meeting in May 2021.
- Employee and retiree benefit costs (including pensions) are up \$160,871 (11.07%) for FY23. A portion of the increase is related to significant changes in health insurance market.

#### **Other Highlights**

Unlike the recent past, this year's Warrant only includes a handful of capital articles to fund investments in public facilities and long-range planning. This year we can use federal and state funds for a number of other capital needs, including a large culvert replacement, flooring improvements at the Florence Sawyer School, and repairs to the library's sewer infrastructure. Those federal funds are part of the American Rescue Plan Act of 2021 and will not be a recurring source of capital financing.

For the proposed building emergency lighting (Article 5), we recommend that \$5,045 be spent from Free Cash, with the remaining funds coming from unexpended balances from prior articles. For the proposed Master Planning technical assistance (Article 6), we recommend using \$30,000 of Free Cash. And for the proposed facilities shed at South Cemetery (Article 13), we recommend using \$4,814 of Free Cash, with the remainder coming from unexpended articles.

We continue to use "best practice" targets when evaluating the budget. Although these targets are not legally mandated, they are based on budgeting practices that have been effective over the long-term in other municipalities, and they are among the factors considered by investor service companies in assigning our bond rating. Our results are shown in the following table:

Target	Result
Achieve certified Free Cash of 3-5% of total budgeted expenditures in the prior fiscal year ( <i>i.e.</i> , FY22).	3.69 %
Maintain a Free Cash balance of <b>at least \$350,000</b> heading into FY23.	\$579,672
Maintain overall Reserves (Free Cash + Stabilization funds + Overlay Reserve) of <b>6-10</b> % of the operating budget (net of debt).	7.99 %
Maintain Debt Service payments at <b>no more than 5-7</b> % of general fund revenues.	4.66 %
Fund <b>100</b> % of Other Post-Employment Benefits (OPEB) actuarially determined contribution.	100%

Thank you for participating in this Annual Town Meeting. If you have questions or comments about the work we do throughout the year, please contact us.

Signed,

#### Article 15:Citizen's Petition-Resolution in Support of Changing the State Flag & Seal of Massachusetts

Whereas the history of the Commonwealth of Massachusetts is replete with instances of conflict between the European Colonists and the Native Nations of the region, who first extended the hand of friendship to the Colonists on their shores in 1620, and helped them to survive starvation during the settlers' first winters on their land;

Whereas members of the Native Nation for whom the State of Massachusetts is named were ambushed and killed by Myles Standish, first commander of the Plymouth Colony, in April or 1623, barely two years after the Pilgrims arrived on their shores;

Whereas the naked Colonial broadsword brandished above the head of the Native man on the Massachusetts State Flag and Seal is modeled after Myles Standish's own broadsword, borrowed for that purpose from the Pilgrim Hall in Plymouth by the illustrator Edmund Garrett in 1884;

Whereas the belt binding the Native's cloak on the Flag and Seal is modeled after a belt worn by Metacomet, known to the English as King Philip, who was among the Wampanoag leaders who resorted to a mutually destructive war in 1675-76 in defense of Native lands against Colonial encroachment;

Whereas the proportions of the body of the Native man in the Flag and Seal were modeled from a Native skeleton kept in Winthrop, the bow modeled after a bow taken from a Native man shot and

killed by a colonist in Sudbury in 1665, and his facial features taken from a photograph of an Ojibwe chief from Great Falls, Montana, considered by the illustrator to be a "fine specimen of an Indian," though not from Massachusetts;

Whereas the history of relations between Massachusetts since Colonial times and the Native Nations who continue to live within its borders includes the forced internment of thousands of so-called "praying Indians" on Deer Island, in Boston Harbor, where they died by the hundreds of exposure in 1675, their subsequent enslavement in Boston, Bermuda, and the Caribbean Islands, the offering of 40 pounds sterling as bounty for the scalps of Native men, women and children in Massachusetts beginning in 1686, increased to 100 pounds sterling for the scalps of Native adult males by 1722, half that amount for Native women and children;

Whereas Native Americans were legally prohibited from even stepping foot into Boston from 1675 until 2004, when that law was finally repealed;

Whereas the 400th anniversary of the landing of the colonists at Plymouth Plantation in the year 2020, afforded every citizen of the Commonwealth a chance to reflect upon this history and come to an awareness of the possibility of a better relationship between the descendants of the Colonial immigrants and the Native Nations of the Commonwealth;

Whereas Native Americans have long suffered the many abuses of racism, the appropriation of their symbols for public schools and sports teams, the loss of their ancestral lands and the encroachment of their cultural lifeways;

Whereas the land area now known as the Town of Bolton shares a rich Native history with modern tribal Nations like the Nipmuc, who lived here for thousands of years before the first colonial settlers arrived, in 1682;

Now, therefore, BE IT RESOLVED that the Town of Bolton hereby adopts this resolution in support of the work of the Special Commission Relative to the Seal and Motto of the Commonwealth, created by a Resolve of the General Court in 2021 and appointed by the Governor to recommend changes to the current flag and seal of Massachusetts; and in support of a new seal and motto for the Commonwealth that may better reflect our aspirations for harmonious and respectful relations between all people who now call Massachusetts home. The town clerk shall be advised to forward a copy of this resolution to Representative Antonio Cabral and to Senator Marc Pacheco, co-chairs of the Joint Committee on State Administration, who serve as members of the Special Commission Relative to the Seal and Motto of the Commonwealth; and to Sen. Dean Tran and Representative Kate Hogan, and request that they continue their support for the work of the aforementioned Special Commission.
