Do Not Knock Registry

The Bolton Police Department is compiling an updated DO NOT KNOCK Registry which will allow residents to submit their name, address, telephone number and e-mail address to the Police Department for inclusion on the Registry. A list containing only the address of registrants will be provided to individuals who are issued a permit to solicit in Bolton. Solicitors will be instructed not to solicit or canvass at any residence on the list. If you are already on the list, we are asking that you please submit an updated request.

Residents who wish to be added to the list may do so electronically on the Bolton Police Department website (Do Not Knock tab) or may submit this form to the Police Department.
