June, 2024

Town of Bolton
Board of Health
Bolton, MA 01740

Central Massachusetts Mosquito Control Project personnel will be in your community to respond to residents' concerns about mosquitoes in their area on the following dates in June:

June 3, 10, 17, 24

Any of the above dates are tentative, and all dates are subject to change due to weather conditions, mosquito populations, mosquito virus activity and/or special event spraying. This program will shut down when cool night time temperatures become predominant in the area. A detailed notice about our spray schedule is posted on the CMMCP phone system after 3:30 p.m. each day, and it is also listed on our website at http://www.cmmcp.org, click the "2024 Spray Schedule" button on the right.

Requests for service may be recorded by calling the CMMCP office at (508) 393-3055 between 7:00 AM - 3:30 PM, Monday through Friday, or logging on to http://www.cmmcp.org. Results of these requests may initiate an application of mosquito insecticides to defined, site-specific areas of town. Such an application may be accomplished by using truck mounted equipment depending on the extent of the application.

Per 333CMR13.03(1)(a): "Wide Area Applications of pesticides and mosquito control applications of pesticides approved by the State Reclamation and Mosquito Control Board shall not be made to private property which has been designated for exclusion from such application by a person living on or legally in control of said property." For more information please check: http://www.cmmcp.org and click the "No Spray Info" button on the right.

Please list this information in the local newspapers and on the local cable access channels if possible. Thank you for your assistance.

Sincerely,

Timothy McGlinchy
